

Receive the news you can use in Goose Creek

Each year, Goose Creek CISD encourages parents and guardians to take advantage of the SchoolMessenger text messaging service. The district utilizes the SchoolMessenger system to deliver text messages about campus/district closings, events, safety alerts and more. This free service allows the district to share its most important news with our families.

You can participate in this free service* just by sending a text message of "Y" or "yes" to our school's short code number, **67587**. You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the Student Privacy Pledge; which ensures your information is safe and will never be given or sold to anyone.

Information on SMS text messaging and Short Codes: SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.
