

Goose Creek Consolidated ISD

iPad Loan Agreement

Purpose

In an effort to better prepare our students for college and careers, Goose Creek CISD will be offering 9th - 12th grade students a device to access their learning 24/7. As never before, students will be able to collaborate and communicate with teachers and fellow students. This initiative will help to prepare students for lifelong learning and success by teaching the skills, knowledge, and behaviors they will need as responsible citizens of a global community.

An important component of this program will be to educate the students about digital citizenship and appropriate online behavior. Teachers will be responsible for an important component of digital citizenship by frequently reviewing safe online behavior throughout the year.

All students and parents/guardians must adhere to the Loan Agreement Policies, Student Code of Conduct, Student Handbook, Responsible Use Guidelines, Board policies, and federal/state laws. Failure to comply may result in confiscation of the equipment, loss of privileges, and disciplinary consequences under the Student Code of Conduct.

Device Specifics

The technology device covered by this agreement is an iPad tablet computer. An iPad, charger, charging cord, and Otterbox case (the "equipment") is being issued to the student. It is the student's responsibility to care for the equipment on a daily basis and ensure that it is kept in a safe environment. Any technical or mechanical issues with the iPad must be reported to the school and will be repaired by Goose Creek CISD Technology Department. iPads may NOT be serviced or replaced at an Apple Store or service shop. This equipment is, and at all-time remains, the property of Goose Creek CISD, and the student does not have any right to privacy in the equipment or the contents or data stored within the equipment. The iPad is subject to inspection, damage assessment (fees may be applied), and can be confiscated at any time. The equipment must be returned in acceptable condition when a student graduates, graduates early, withdraws, or is expelled from school prior to the end of the school year.

Student Responsibilities

Your iPad is an important learning tool and is for educational purposes only. In order to take your iPad home each day, you must be willing to accept the following responsibilities:

Note: Goose Creek CISD recommends that students or parents/guardians enable the “Find My iPad” application within their iPad settings. This application may aid in locating a lost or stolen iPad.

Damage, Loss, or Theft

Goose Creek CISD recognizes that with the implementation of the program there is a year-round need to protect the investment of iPads by both the District and the Student/Parent. This document outlines guidelines for protecting the iPad against damage, loss, and theft.

“Breakage” is defined as any damage to the iPad which requires replacement of a part or renders the iPad unusable for its intended purpose.

- First Breakage: There will be a \$50 fee and parent/guardian will be notified.
- Second and each Additional Breakage: There will be another \$50 fee and parent/guardian will be notified.
- If a student has reason to believe that the iPad has been stolen, damaged or destroyed by another person, or if the iPad is lost, a police report must be filed by the student or parent and a case number must be provided to the campus grade level assistant principal. The student or parent must also notify the campus grade level assistant principal within 3 school days of the criminal act.
- First Loss or Theft of iPad: The parent/guardian and student will be responsible for a \$100 fee for the first loss or theft of the iPad.
- Second and each Additional Loss or Theft of iPad: The parent/guardian and student will be responsible for a \$175 fee for the second loss or theft of the iPad. The \$175 fee is 50% of the iPad’s original purchase cost.
- Damage, Loss, or Theft of the Charger, Charging Cord, or Otterbox Case: Students and parents/guardians will be responsible for the full cost to replace those items. Apple Brand Charger (\$15), Charger Cable (\$15), entire Otterbox (\$40) and Otterbox lid (\$10).
- GCCISD will withhold the student’s records if he/she fails to return the iPad back to the campus when either requested or upon the student’s graduation, expulsion, or withdrawal from school. If the iPad is not returned, then the associated fee must be paid in full before the student records will be released.
- GCCISD may prohibit participation in end of the year privileges, including but not limited to being exempt from exams, if a student fails to return the iPad to the campus when requested. If the iPad is not returned then the associated fee must be paid in full before the student will be allowed to participate in end of the year privileges.
- GCCISD will not mail the student’s diploma or transcript if he/she has not returned the iPad to the school or paid the associated fees.
- Students who leave the District and fail to return their iPads and related equipment will have criminal charges filed against them immediately upon the District’s knowledge of such an event. The District will prosecute the occurrence to the fullest extent of the law.
- iPad fines must be paid, or items returned, before students are eligible to check out another iPad.
