

# WELCOME TO BJS, NURSE GALE!

## **A little about Mrs. Gale:**

*I'm a proud Baytown native and a GCCISD graduate. I attended grade school right here in Baytown and graduated from RSS in 2013. This is my first year as a school nurse, and it's truly a dream come true. I have wanted to be a school nurse for many years, and I am so grateful to now live that dream every day. I am excited to care for our students and help keep our school community safe and healthy.*

**Fun fact:** *I met my now husband of 8 years in a 10th-grade Geometry class! We have two sweet sons: a 6-year-old and our newest little guy who is almost 4 months old.*

## **My nursing journey:**

*After high school, I attended Lee College before transferring to Lamar University in Beaumont, where I earned my Bachelor of Science in Nursing. While in college, I worked for 8 years as a Certified Nurse Assistant (CNA) at our local hospital, learning so much from incredible nurses who helped shape the nurse I am today. After graduating, I returned to the same medical-surgical unit and worked there as a nurse for 1.5 years.*

## **Message to our students:**

*I chose to pursue nursing even when some people told me I would never become a nurse. I want every student at BJS to know this: YOU CAN DO ANYTHING YOU SET YOUR MIND TO. It may take hard work, dedication, and perseverance, but your dreams are possible. I am living proof!*

***I am so excited for this opportunity to be your school nurse and help keep our campus safe and healthy! Let's have a great rest of the year!***
