

IMPACT EARLY COLLEGE HIGH SCHOOL

Partnership with Lee College

Student Commitments: *Please read each commitment and sign at the bottom.*

- I will go to school, on time, every day, and I will remain at school until dismissal every day.
- I will review the expectations for each high school class, and I will refer to them regularly as a guide for the work that I must complete for each course.
- I will complete and submit all required coursework, including homework, on time and will review my at least once per week.
- I will attend after school tutorials when required by teachers and/or administrators.
- I will seek assistance from teachers as needed.
- I am aware that after-school participation in UIL activities at my home campus may interfere with my success at IMPACT and will keep my academics as the priority.
- I will ensure that I will get enough sleep each night and that I come to school prepared each day.
- I understand that I will be issued an iPad and that I will be responsible for it. I also understand that I am to use the Internet for the purpose of completing school work only.
- I will follow the GCCISD Student Code of Conduct, including the Dress Code.
- I understand that adult-like behavior will be expected of me when on the Lee College campus.
- I understand that when the Lee College and GCCISD calendars do not match, and Lee College is in session, I must attend any Lee College classes that I am enrolled in and I will provide my own transportation.
- I understand that I will have the full college experience while at IMPACT ECHS, including walking to and from various buildings, and that I should always be prepared for the possibility of rain by carrying an umbrella, and wear weather appropriate clothing/gear.
- I will stay informed about any IMPACT ECHS activities by reading all information that is shared on the announcements, sent home or sent via the school call out system, or posted on the school website.
- I understand that my parent/guardian, must attend yearly mandatory dual enrollment meetings for me to continue taking Lee College courses.

I am aware that I have to be fully committed to attending IMPACT ECHS from the freshman year through graduation. I will communicate with Impact teachers and administration if I am struggling academically and will participate in all interventions to help my success. **If at the end of the first semester,** I feel that I am unable to continue and have exhausted all resources to help me improve academically, I will meet personally with my parents a school administrator to discuss options.
