LOCAL SCHOLARSHIPS

2019-2020

The scholarships listed in this booklet were reported to be available at the time of printing. Occasionally, circumstances occur after printing that may cause the participating organizations to change the scope of their scholarship program or even suspend them for the year. GCCISD is not responsible for these changes.

GOOSE CREEK CISD

Local Scholarship Application Instructions

Congratulations, Class of 2020! Graduation is getting closer every day. The local scholarships listed in this packet are being provided to you by organizations, groups, and individuals in the local area who work very hard to raise money to offer these scholarships. If these scholarship sponsors do not know you personally, they have to rely on the information that you provide them. This information will be critical in helping them to make a decision on who receives their money. A neat and typed completed scholarship application and folder can make you stand out. Should you receive one of these scholarships, you should personally acknowledge the award and show your gratitude with a card or letter of thanks.

Each completed local scholarship packet must contain the following items:

Item 1: GCCISD Local Scholarship Application

- You must complete and print out a **GCCISD Local Scholarship Application** for **EACH** scholarship for which you wish to apply. Computer labs are available at each campus for your convenience.
- **School/Community Involvement:** Type and attach your documentation or student resume for all participation in school organizations, honors received, and activities/work.
- **Personal Statement:** Provide a personal statement that summarizes your plans as they relate to your education, career objectives, long-term goals, and reasons why a scholarship is desired.

Item 2: Special Applications

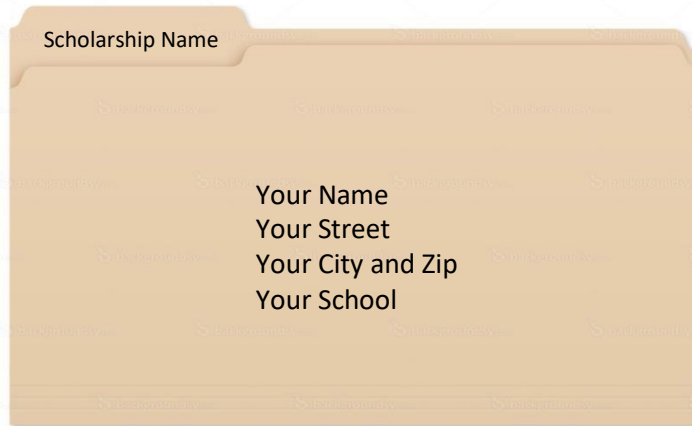

- Many of the scholarships in this packet require an additional application with specific questions from the organization. If an additional application is required, you will find it in Naviance Connection or visit your campus College and Career Center.

Item 3: Folder

- Each Scholarship must be submitted in a letter sized (8 ½ x 11) manila folder. For example, if you apply for five scholarships, you should turn in 5 folders containing the correct information.
- Each folder should contain:
 1. Typed GCCISD Local Scholarship Application
 2. Typed School/ Community Involvement Resume
 3. Typed Personal Statement
 4. Official Transcript
 5. Additional Application (if required)

Item 3: Folder continued

- Please label the folder like the sample below:

Item 4: Transcripts

- An official transcript from the Registrar’s Office **MUST** be placed in **EACH** scholarship folder. Remember **DO NOT OPEN** the transcript envelope.
- The last day to order official transcripts for your applications is **Friday, February 14, 2020. Transcripts will be available for pick up on Thursday, February 27, 2020. No Exceptions, so plan wisely!**
- Transcript request forms are available from the Registrar’s Offices on each campus and in the Main Office of Goose Creek Memorial and Robert E. Lee High School. If you are 18, you may sign your own form; if not, one of your parents will need to sign the form.

Item 5: Submission List

- The form “**LOCAL SCHOLARSHIP SUBMISSION LIST 2019**” must be completely filled out. This form should be placed on the top of your alphabetically organized application folders and a rubber band should be placed around the entire set of folders.

All Local Scholarship Applications are due in your campus College and Career Center on or before **Friday, February 28, 2020, by 3:00 pm**. Remember the check list is required. Please place your folders in alphabetical order.

LATE APPLICATIONS WILL NOT BE ACCEPTED!

DEADLINE – Friday, February 28, 2020, BY 3:00 P.M.

GOOD LUCK, SENIORS!

Tips for Successful Application Submission

Tips for Writing a Personal Essay

1. Be meticulous; type and proofread your essay very carefully. Good written skills and command of correct use of language are important. Express yourself clearly and concisely and remember to adhere to stated word limits.
2. Be detail oriented. Your interest and your experience in community, school and/or volunteer related activities are important. Be specific and refer to your experiences (community involvement, volunteer work, awards/honors, offices held, etc.)
3. The lead or opening paragraph is generally the most important. It is here that you grab the reader's attention or lose it.
4. Here are some questions to ask yourself before you write:
 - What's specific, unique, distinctive, and/or impressive about me or my life story?
 - What details of my life (personal or family, history, people or events have shaped me or influenced my goals) might help the committee better understand me or help set me apart from other applicants?
 - When did I become interested in my career choice and what have I learned about it (and about myself) that has further stimulated my interest and reinforced my conviction that I am well suited for this career? What insights have I gained?
 - How have I prepared myself for my career choice (i.e. classes, work, or other experiences)?
 - If I worked during my high school years, what have I learned and how has that work contributed to my growth?
 - What are my career goals?
 - Are there any gaps or discrepancies in my academic record that I should explain?
 - Have I had to overcome any unusual obstacles for hardships (economic, family, or physical) in my life?
 - What personal characteristics (e.g. integrity, compassion, persistence) do I possess that would improve my prospects for success in college and/or my career choice? Provide examples.
 - What skills (e.g. leadership, communicative, analytical) do I possess?
 - What are the most compelling reasons I can give for the committee to be interested in me?

Tips for Successful Application Submission

Tips for Requesting a Letter of Recommendation

1. Thank the person writing the recommendation in advance for all of their hard work.
2. Recognize that writing a letter of recommendation is not a simple task and will not be completed in a day. You will be asking someone to work hard on a good letter that will represent you well.
3. Offer to make the job as easy as possible by providing them with a list of all of your extracurricular activities, club memberships and interests. A student resume is the best way to give them your information.
4. Give the person writing the recommendation as much lead time as possible before the due date. It is very likely that they are writing letters for several students at the same time. If they subscribe to the “first request in, first request out” system, you may receive your letter quickly.
5. Check in with the person writing the recommendation during the process to make sure that they do not need any further information from you, but do not be a pest!
6. For scholarships and college applications, it is always best if the letter or recommendation is on official school letterhead. You will probably want to mention this to the person writing the recommendation.
7. After you receive your letter, it would be very thoughtful if you would take the time to write a note of appreciation to the person writing the recommendation. It is always nice to hear that the hard work was worth it.

REQUEST FOR LETTER OF RECOMMENDATION
