## MISSING SCHOOL = MISSING OUT

### Student Attendance

Texas Public Schools are required to record and report daily student attendance.

Elementary campuses record attendance each day at 10:00 a.m.

A student is considered present if he or she:

1. is in the classroom at roll check time; or
2. is with authorized school personnel; or
3. begins classes or returns to school on the same day as a health care appointment.

Please call the school office if your child is absent, and upon the child's return to school, send a written note within three days to explain the nature of the absence.

If note is not received within three days, the absence will be unexcused.
