Families. Gear up to End Hunger!

5.6 MILE FAMILY RIDE

MARCH 11, 2023

8:45 AM

Join Mayor Brandon Capetillo on the Family Ride route that starts and ends at Lee College and utilizes portions of Baytown's Goose Creek Trail. We are excited that riders will be able to explore this great amenity that the city offers year-round. In fact, the route will pass through the upcoming 40-acre Disc Golf Course site, eventually offering a parking lot and restroom facilities for residents and guests to access the trail at leisure!

Family Riders will be entered to win one of the following door prizes courtesy of The City of Baytown.

**limit one prize per family*

Family four-pack to Pirates Bay Waterpark

Birthday Party Certificate to the Wetlands Center

Annual Family membership to the Baytown Nature Center

Helmets required. All registered child riders will be gifted with a helmet.

Providing food for families in a dignified and supportive manner while linking to services with collaborating partnerships not only

to eradicate hunger,

but to address the underlying causes,

elevating without enabling.

Our vision is to turn the safety net into a spring board,
