Session 2:

What Parents and Professionals Need to Know About Mental Health

Thurs: December 15, 2022

9:00 a.m. – 10:00 a.m.

Mental Health is just as important as physical health. The Affordable Care Act strengthened access to mental health services. One of the ten Essential Health Benefits is coverage for “mental health and substance use disorder services, including behavioral health treatment.” Join us as we explore what parents and professionals need to know about Mental Health.

Copy the following link for users to enroll directly in the course in Eduphoria. Log-In information listed on attached flyer.
