

Lee College Dual Credit Program!

WHAT IS DUAL CREDIT?

Dual Credit is the process by which a high school student enrolls in a college course and receives simultaneous credit for the course from the college and the high school.

Dual Credit Course Benefits

- Experience college before leaving high school
- Earn college credit
- Reduction in the repetition of courses between high school and college curriculum.
- A decrease in the time required to earn a degree or certification.
- A significant reduction in the cost of higher education.
- Expanded academic and technical options while in high school.

GENERAL INFORMATION

- Students who take dual credit courses are beginning their college career. This is a serious commitment and should only be entered into by those who are ready to be committed to college-level work.
- Students and parents should discuss the level of commitment needed in regards to their high school course load and extra-curricular activities.
- Students will be taught by a Lee College instructor on the high school campus, at a Lee College education center or campus, or online.

WHO CAN TAKE DUAL CREDIT?

Dual Credit is open to all high school students who met the college admissions and course requirements.

STUDY TIPS AND INFORMATION

- The average study time for a college course is 2-3 hours per hour of class time.
- Some classes will require more study time.
- It is better to overestimate time required.

CONSEQUENCES OF DROPPING A DUAL CREDIT COURSE

- Withdrawals remain on the college transcript (this deadline is established by Lee College)
- Texas 6 Drop Rule
 - 6 drops allowed through completion of a student's bachelor's degree
- May impact financial aid eligibility in the future

Course Options for Goose Creek Memorial High School

- Goose Creek Memorial High School students take most of their courses on the GCM campus. Some courses in the career and technical fields are offered on the Lee College campus.
- Students can take a variety of courses, including (but not limited to) English, biology, government, U.S. history, cosmetology, and logistics.
- It is important that the student choose a class that is within their intended college major!
- Prior to graduation, it's the student's responsibility to request that the college transcript be sent from Lee College to the university of their choice.

ATE Search by Sending Institution's Course

Search the transfer evaluation inventory by the department and course number at the sending institution (i.e. the college at which the course originates).
Results are sorted by sending institution's department & course number.

Sending institution	<input type="text" value="(select a sending institution)"/>
Sending institution's department abbreviation	<input type="text"/> 4 characters maximum. Enter the exact department abbreviation (for example "E" or "EN" or "ENG" or "ENGL" for English) as it appears in the sending institution's catalog, course schedule, or transcripts. If the abbreviation is 5 or more characters, enter only the first 4. If you don't know the other school's exact department abbreviation, try a search by UT department .
Sending institution's course number	<input type="text" value="exact match only"/> <input type="text"/> 6 characters maximum. Leave this field blank to find ALL courses for the specified department.
<input type="button" value="Initiate Search"/> <input type="button" value="Clear Menu"/>
