It is the policy of GCCISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

JUNIOR ROTC BENEFITS

Junior ROTC is a U.S. Marine Corps sponsored character and development course focused on developing self-confidence, discipline, citizenship, leadership skills, and a sense of responsibility within the individual Cadet.

Participating in JROTC can lead to:

- A strong sense of community, and commitment to serving the community.
- Provides Cadets with regular feedback regarding their performance, accomplishments, and current goals.
- Many cadets form sustainable relationships with others.
- The Cadets that choose to complete two years of Junior ROTC, and choose to serve our nation, reap the benefits of higher pay and rank as they enter the military enlisted force .
- Scholarship opportunities for college.

This is not a military recruitment program. Cadets who attend have no obligation to enter military service.

MCJROTC IS A PHYSICAL EDUCATION (P.E.)

CREDIT !

BE THE LEADER TODAY, THAT YOU NEED TO BE TOMMOROW

ELIGIBILITY:

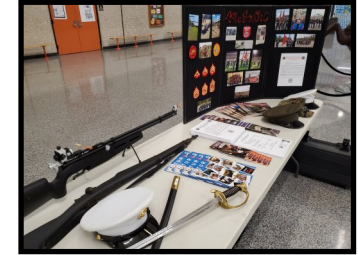

Any male or female in grades 9 through 12 who is enrolled Ross S. Sterling High School can participate. All candidates must be physically qualified to participate in the rigorous physical training aspects of the program.

EXPECTATIONS:

- Cadets are required to wear a military uniform once a week for the entire school day.
- All cadets are required to maintain acceptable grooming standards in everyday dress, and uniform.
- The most important requirement of the Cadet is a cooperative attitude and willingness to attempt new experiences.

Curriculum:

MCJROTC instructs a variety of classes and activities many of which are not normally available to the typical high school student but only to Cadets. They include the following:

- Military Drill
- Marksmanship
- Physical Training (to include an Obstacle Course)
- Military Customs and Courtesies
- Military History
- Citizenship
- Leadership
- Uniform Wear and Maintenance
- First Aid
- Grooming Standards
