

# ARE YOU WANTING TO GAIN LEADERSHIP SKILLS FOR THE FUTURE?

## Look no further than GCCISD's Marine Corps JROTC Program!

MCJROTC is a **leadership course**. While it is based upon the tenets of Marine Corps leadership, students do not have to be interested in joining the military afterwards. The curriculum teaches and develops a sense of responsibility, loyalty, discipline and character in the Cadets. **MCJROTC also counts as a PE credit!**

The Leadership Education curriculum is presented by way of five different categories of instruction: (1) Leadership (2) Citizenship (3) Personal Growth and Responsibility (4) Public Service and Career Exploration and (5) General Military Subjects. Emphasis is placed on developing leadership skills that will assist the students throughout life.

**For more information on the MCJROTC program at your zoned high school, please contact your campus' Senior Marine Instructor or your high school counselor.**
