

March 18, 2022

Dear Parents/Guardians:

The 2021-22 school year is quickly coming to a close. Therefore, graduation is just around the corner! Enclosed is a brochure that contains some important information regarding your student's graduation ceremony.

Ross S. Sterling graduation will be held on May 27, 2022, beginning at 7:00 p.m. in the Fertitta Center, which is located on the University of Houston campus at 3422 Cullen Blvd, Houston, TX. This will be a ticketed event. Each graduating senior will be provided with 10 tickets. Tickets are free of charge. Tickets are not required for children 2 years or younger as long as they do not occupy a seat. All tickets will be distributed at graduation rehearsal the week of May 23.

Loved ones who are unable to attend the ceremony may watch the graduation ceremony live via the web. Goose Creek CISD will have the live video footage of the ceremony available at www.gccisd.net.

On the day of graduation, all graduating students will meet at Sterling High School in the girl's gym at a predetermined time for last minute information and preparation. Each student will then be transported by bus to the Fertitta Center. After the graduation ceremony, bus transportation will be provided for graduates back to their home campus. Students who have notified the school in advance may ride home with family members after the ceremony.

Also, in late April, your student will be provided with a packet of additional information regarding graduation. The packet will contain information such a map that denotes available parking lots near the Fertitta Center and graduation photo information.

In the meantime, please read through the enclosed brochure. It will provide you and your family with important information regarding this momentous occasion.

Sincerely,

A handwritten signature in black ink, appearing to read "R. Sterling", written over the word "Sincerely,".

Principal Ross S. Sterling
