

ExxonMobil Baytown Area
5000 Bayway Dr.

Baytown, TX 77520

November 12, 2024

Dr. Randal O'Brien
Goose Creek Consolidated Independent School District
P.O. Box 30
Baytown, TX 77522

Dear Dr. O'Brien:

Exxon Mobil Corporation's Baytown facilities support Goose Creek Consolidated Independent School District (GCCISD) and the Robert E. Lee High School STEM Academy's continued designation as a P-TECH Campus. Our facility is an integrated refining complex in Baytown, Texas, that produces petroleum and petroleum-based chemicals.

Therefore, in support of this grant proposal, we expect to contribute to the following specific items:

- Continue support of classrooms and student organizations in promoting STEM careers and real-world experiences for teachers and students
- Continue to be a whole campus Partner in Education

We are also plan to provide ExxonMobil employees as:

- Guest speakers to classes and student groups on careers in STEM and industry expectations
- Mentors for students
- Career Fair exhibitors
- Panels for project presentations

GCCISD and ExxonMobil Baytown have a longstanding and valued relationship that these grant funds will enhance. We appreciate your consideration of their proposal.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Stryk".
